We make beauty natural

Lipoid Kosmetik is a leading manufacturer of high-quality botanical extracts and phospholipids for the cosmetic and personal care industry. Specialised in research and development of innovative botanical actives and natural additives, our company offers a broad portfolio of functional ingredients, extracts and phospholipid-based delivery systems.

Pioneering the field of phospholipids and botanical extracts, Lipoid Kosmetik has gained an outstanding reputation in the global cosmetic industry over the last 40 years. This long-standing expertise, in combination with the exceptional quality of our portfolio, enables our customers to develop and market innovative, functional, and natural cosmetic products meeting the highest standards.

Interactive Formulation Lab at in-Cosmetics Asia

Lipoid Kosmetik AG is going to demonstrate its new formulation “Unique Deep Moisturizing

Cream” during a live lab-presentation at in-cosmetics Asia 2014 in Bangkok. The new formulation is a synergistic combination of the high performing moisturizing active Hydro-Gain™ with the SLM Skin Lipid Matrix™ technology, creating a highly skin protective and moisturizing end formulation which is very similar to the natural skin barrier. The practical formulation training session will be held on Wednesday, 5 November 2014 at 12.45 pm.
