

TO WHOM IT MAY CONCERN

Thank you for your interest in our product. Please find below the requested information.

### **REACH: Substances of Very High Concern (SVHC)**

Substances of very high concern are defined in Article 57 of the REACH Regulation and include substances which are:

- Carcinogenic, Mutagenic or toxic to Reproduction (CMR), meeting the criteria for classification in category 1 or 2 in accordance with Directive 67/548/EEC and Regulation (EC) No 1272/2008 (Cat. 1a or 1b)
- Persistent, Bioaccumulative and Toxic (PBT) or very Persistent and very Bioaccumulative (vPvB) according to the criteria in Annex XIII of the REACH Regulation
- Identified, on a case-by-case basis, from scientific evidence as causing probable serious effects to human health or the environment of an equivalent level of concern as those above (e.g. endocrine disrupters)

We confirm to our best knowledge that our products do not contain any SVHC.

This statement is based on the Candidate List of Substances of Very High Concern (SVHC) as published by the European Agency (ECHA) on July 16, 2019.

Lipoid Kosmetik AG is monitoring the list of SVHC as published by the European Chemicals Agency (ECHA) on a regular basis.

This information is based on our best knowledge of the product's composition as of today.
